

NHGHA Looking for Board Members for the 2018/2019 Season

The Twisters Hockey League is made up of volunteers. The key to the success of our league is the tireless efforts of our many volunteers who sacrifice their time to help provide a fun environment for our daughters to play hockey in a league of their own and close to home. Our volunteers are important and imperative to this organization. Why not consider stepping up – you will meet wonderful people, learn valuable skills and help set strategic direction for the organization going forward.
